

Say Goodbye to Manual Testing — Let AI Handle Everything

Why CopiTest?

Testing is boring!

It's too complex!

Need to be maintained!

**Let this guy do everything
for you!**

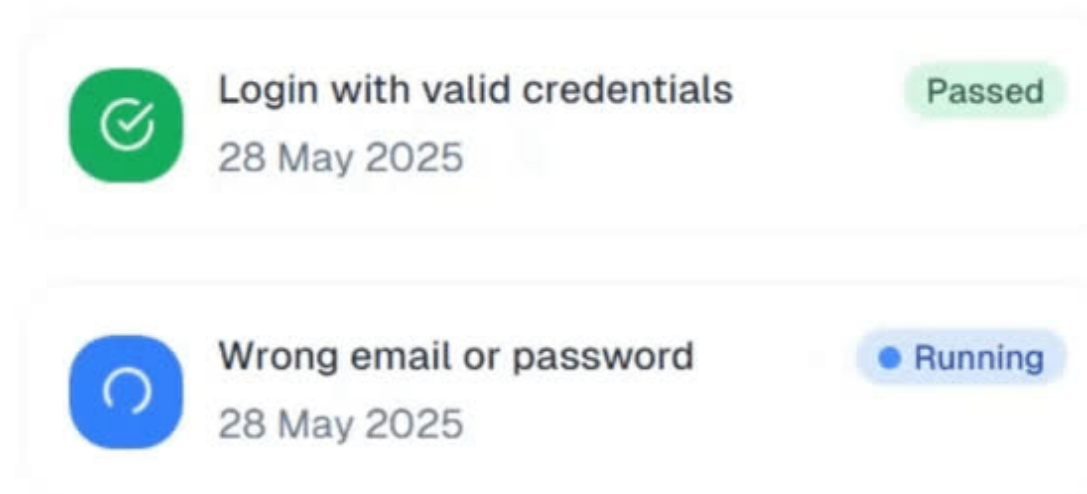

He speaks English

No code required

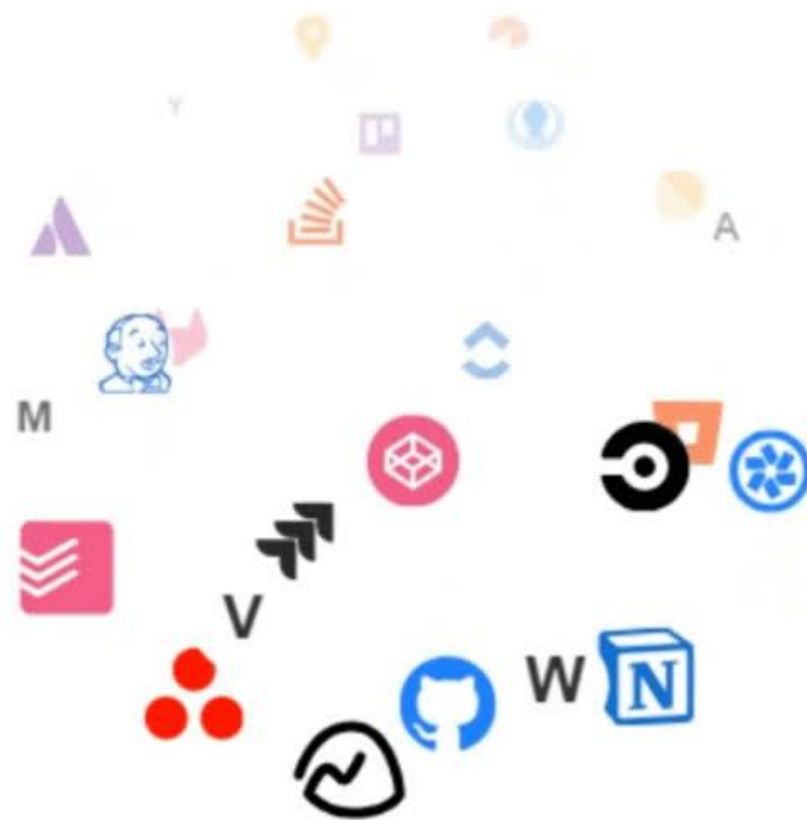

Please help me test login|

He automates tests and keeps track of results

He can connect to any apps

Ask me to test anything!

specification.pdf (3.44 KB) X

Ask anything

Thanks for listening!
